# Partner Organizations

## GENESIS (Czech Republic)

Genesis is a Czech non-governmental organization with a long tradition and simple philosophy.

TO KNOW IS TO GROW.

Genesis provides individual and group training. At Genesis, we support all efforts to learn because the more we experience, the better off we all become.

Our goal is to help individuals and companies to receive training that is not only great but also socially responsible.

We believe that innovation in education helps employees, employers, and society as a whole to sustainably grow and develop.

## ICPI (Georgia)

ICPI is a Georgian not-for-profit non-governmental organization with a mission to provide the platform for the development of self-aware, progressive and engaged youth in civil society.

We encourage personal growth, innovation and positive change through critical thinking, intercultural understanding, support for new initiatives and collaboration.

The team of ICPI promotes democratic values, peace-building and social entrepreneurship for a more sustainable society.

We believe in the power of education as a means to plant the seeds of change in attitude and action.

# Word from trainers

As a teacher, actor, performer and person I see dire need of change, but we cannot change the system if we don't change our mindsets. So let's start there!
