Armenia is known for its beautiful landscapes, its cuisine, culture and history. Since Armenia was the first country to officially adopt Christianity, you can find some of the world's oldest churches and monasteries located in the extremely beautiful natural settings. The region of Lori is the third-largest region of Armenia. Located in the north of the country, it is neighboring Georgia. The climate in Lori is rather humid, which makes this place an ideal destination for summer since it is not too hot. The region is famous for its tourist destinations, adventurous infrastructures, and unique accommodations.

MONEY:

Armenian Currency is called ARMENIAN DRAM. You cannot pay with Euros or USD in the stores. Armenia is still mostly cash-only country by that terms. We recommend using cash instead of credit or debit cards as fees usually have to be paid when withdrawing money in Armenia.

WEATHER:

The weather in May is usually nice in Armenia. Daytime temperature is likely near 14-16 °C, but it can go near to 10°C in the evening. We recommend to you follow the weather forecast and check it before your journey.

WHAT TO BRING:

- Passport, original boarding passes/tickets
- Comfortable clothes, rain jacket, warmer jacket
- Hygiene care, any medicine that you use or might need
- Each national team is welcomed to bring food and drinks typical for their countries to share on the international evenings.
- Slippers to wear inside
- Towels
